EBCDA along with the Wise Men of the East Network is supporting the evening men's clinic at the Arches Centre. The clinics will take place on **Wednesday 22 May, Wednesday 5 June and Wednesday 19 June 2013**.

As we all know men are less likely to engage in preventative health checks, to make infrequent use of health services and usually present late with their problems which can mean reduced treatment options. However, in the past 24 months 190 men have made use of the evening clinic which is a modest beginning. The exit survey showed that the clinic experience for the majority of the men was a motivation to improve their health and that they had also thought about a strategy to carry this out.

The clinic is taken by District Nurses and is aimed at men who have **not** had contact with their GP in the past 12 months. The service offers men a 30 minute plus health assessment check up for their blood pressure, weight, blood sugar check, cholesterol check and an opportunity to discuss other general health issues. The results of raised blood sugar levels, cholesterol, prostate problems, raised blood pressure etc are forwarded onto GPs and the men are advised to follow this up.

As well as men being referred by their GP men can also **refer themselves** to the clinic by leaving their details on an answering machine 028 9056 3307 and they will be contacted about an appointment.

For further information contact Alan Houston, Health Development Worker (Outer East), on 028 9045 1512 or email [alan@ebcda.org](mailto:alan@ebcda.org).

## **Finding the right volunteers for your organisation**

Every quarter EBCDA's Volunteer Project produces 'Volunteer News', a newsletter detailing East Belfast volunteering opportunities and the latest news for all things volunteering. It's a great way to get the word out about how volunteers can get involved in your organisation and your projects. To see the last edition click [here](#).

Writing adverts to recruit volunteers is far more difficult than people might think. Some organisations are lucky enough to have a marketing team to do this for them. But for most people who recruit volunteers, chances are they have just been on a short course to learn the basics or, more often or not have received no training at all - so it's not surprising then that some volunteer adverts can be a little...uninspiring. With this in mind IVO, the network for social change, have compiled a few basic tips to consider before you write your ad. Click [here](#) to read the article.

If you have opportunities for volunteers at the moment send details of the role and your organisation to Katy Gaston, Volunteer Development Coordinator, on 028 9045 1512 or email [katy@ebcda.org](mailto:katy@ebcda.org) to advertise them in the next edition of 'Volunteer News'.

## **“The Larder” Food Support**

Back in January “The Larder” started in St Christopher’s Church, Mersey Street, at the entrance to the Oval. It is a food support idea for anyone who finds themselves in financial difficulties. In the first eight weeks food had be given to nearly forty people.

How it works : 1. People who need food have to be referred to the larder. 2. If you lead a church, a community group, a local organisation, or you are a social worker or health professional and you know someone or a family who are reaching desperation please contact Adrian McCartney on 07970626384 and give a name so that we can identify the person when he/she arrives. We don’t need to know any details and we are not trying to follow these folks up in any way. That is your responsibility or the role of your organisation. We will simply provide the food. We try to give up to three days worth. 3. Send them down at the appropriate time or come yourself and take it to them. If they are unable to carry the food we will try to help them home.

The larder is open every Tuesday from 10am to 12pm, Thursday from 8pm to 9pm at night, and Friday from 10a to 12pm. If an emergency occurs not at those times we will try to help. If you or your organisation would like to collect food, please deliver it at any of the times mentioned. Toiletries are also very well received.
